

3VH-1

A: It must have been really windy last night.

B: Oh? What makes you say that?

A: Didn't you see all the bicycles that were tipped over this morning?

3VH-2

A: I am absolutely stuffed. I couldn't eat another bite.

B: You'll get fat if you eat any more.

A: I've started biking to work, so I should stay slim.

3VH-3

A: I think I just stepped in something...

B: Ew. You definitely stepped on some dog doo...

A: Ugh, I wish people would clean up after their pets.

3VH-4

A: Are you alright? You look pretty down today.

B: I'm alright. I just had a fight with my mom last night.

A: That sounds pretty serious. Do you want to talk about it?

3VH-5

A: Have you been to the new restaurant that opened last month?

B: Not yet. It looks really promising though!

A: Let's go and check it out this weekend then!

3VH-6

A: Excuse me, I'm trying to find the instant ramen.

B: Oh, that's in aisle number 7.

A: Really? I looked and I didn't see any...

3VH-7

A: I can't believe we won that last game.

B: I know. I feel like it was just a lucky fluke that we won.

A: Hopefully not. Our next opponent is even more tough.

3VH-8

A: I'm so tired. All of this work is so exhausting.

B: I know what you mean. I'm going to sleep like a log tonight.

A: That's looking on the bright side at least.

3VH-9

A: It's getting pretty chilly outside now.

B: You're right. It looks like winter has arrived.

A: I should probably dig out our winter blankets then.

3VH-10

A: Does my steak look like it's undercooked?

B: I think it is. You asked for medium-well, right?

A: And this is still bright pink in the middle. I knew it!

3VH-11

A: Augh! No matter what I do, it never comes out right!

B: Just take a moment and breathe. We should try again, one more time.

A: Why is it so hard to make an instagrammable cake?

3VH-12

A: This is 9-1-1, what's the nature of your emergency?

B: Someone is trying to break into my house!

A: Alright, give me your address and someone will be on their way.

3VH-13

A: Where you able to go to the Pokemon cafe?

B: No, they don't take walk-ins AND they were booked solid until next month.

A: I'm sorry to hear that. That really sucks.

3VH-14

A: Did you hear about this new wonder drug?

B: What? No, what is it supposed to do?

A: It apparently cures hayfever. They'll make tons of money in Japan.

B: I dunno, that sounds a bit too good to be true.

3VH-15

A: Hello, Tanaka residence, Taro speaking.

B: Oh, I'm sorry. I think I have a wrong number.

A: Oh, don't worry about it. Have a nice day.

3VH-16

A: I'm really nervous about my job interview tomorrow.

B: You'll be ok. Just relax, put your best foot forward and be yourself.

A: That's easier said than done, don't you know?

3VH-17

A: I don't feel like going out to eat or doing any cooking.

B: Me too. Do you want to order some delivery?

A: That's too expensive. Let's check if we have any leftovers.

3VH-18

A: I think I need to go to the dentists. My jaw is killing me.

B: Really? That's probably a good idea. When was the last time you went?

A: 3 years ago. I hope it's nothing too bad...

3VH-19

A: I'm not feeling so well today.

B: Are you going to take the day off of work?

A: Yeah. If I have a day of bed rest, I should be fine tomorrow.

3VH-20

A: I can't wait for this Saturday.

B: Me too, I've got reservations for a nice restaurant with my boyfriend.

A: That sounds nice. I'm going to Disney with my fiance.

3VH-21

A: How are you doing with the taxes for this year?

B: Alright. I just wish they'd use more plain English for the paperwork.

A: I know. It would make things so much easier for everyone.

3VH-22

A: I can't wait for all of this paperwork to be finished.

B: We're almost done. I just need you to sign on the dotted lines.

A: And then we're done and I can go home?

3VH-23

A: Hey, what are you working on right now?

B: Just a budget report for the boss. Nothing important.

A: Great, want to go on a coffee run with me then?

3VH-24

A: You don't seem like yourself today. What's up?

B: I had to switch to decaffeinated coffee. I have no energy now.

A: Oh man. Why did you switch? Doctor's orders?

3VH-25

A: Have you ever eaten a bug before?

B: What kind of a question is that?! Of course not!

A: Really? Not even on a dare when you were a kid?

3VH-26

A: Hey, do you want to go and split a pizza with me?

B: Sure thing. Why do you want pizza though.

A: I don't know. I just have a sudden craving right now.

3VH-27

A: It's my favorite time of year! Spring!

B: Really? Because of my allergies I can barely sleep in the spring.

A: Why do you have to rain on my parade?

3VH-28

A: Aren't you a bit hot wearing that sweater?

B: Nope, not at all. I'm quite comfortable actually.

A: I have a hard time believing you. It's 30 degrees outside.

3VH-29

A: Hello, I'm trying to reach Mr. Taro Tanaka.

B: I'm afraid he's in a meeting right now. Can I have him call you back?

A: That would be great. Have him call John Smith at ABC Limited please!

3VH-30

A: I can't wait for our vacation. I'm so excited!

B: It'll be so much fun riding in a hot air balloon.

A: All of the food is going to be so good too!

3VH-31

A: Do you know how to make chocolate chip cookies.

B: Yup, I've got an old family recipe I can dust off for you.

A: Really? Thank you for sharing your family secret with me!

3VH-32

A: Have you tried this maple flavored Alfort?

B: I didn't even know they made maple flavor. Where do you find these limited-edition flavors?

A: I guess it's just my hidden talent.
