

3VI-1

A: I'm starting to get tired.

B: Do you want to take a break?

A: That might be a good idea.

3VI-2

A: Don't be late tonight.

B: I won't, I promise.

A: That's what you said last time.

3VI- 3

A: It feels like winter is almost here.

B: You're right. The days are getting colder.

A: It might be time to pull out warmer clothes.

3VI- 4

A: Have you seen Bohemian Rhapsody?

B: No, I never got around to it. How was it?

A: It made me want to listen to Queen's music.

3VI-5

A: How do you get to work?

B: I take the train during rush hour.

A: That must be a tough commute.

3VI-6

A: How have you been lately?

B: I've been extremely busy.

A: I know what you mean. Work is hectic.

3VI-7

A: Do you have time to help me with something?

B: It'll have to be quick. I'm actually pressed for time.

A: Okay, I'll try to make it as quick as possible.

3VI-8

A: I still haven't gotten around to visiting Aomori.

B: You've been wanting to go there for a long time.

A: I can never seem to find a hole in my schedule.

3VI-9

A: I'm worried about losing my hair.

B: Worrying will only make you lose more hair.

A: I'm serious. Haven't you noticed this bald spot?

3VI-10

A: Are you up for a night out?

B: Sure. Where do you want to go?

A: I want to visit a jazz club in Tokyo.

3VI-11

A: Looks like we missed the last train of the night.

B: This always happens to me after year-end parties.

A: We wasted too much time saying our goodbyes!

3VI-12

A: What's the dress code for this party?

B: Everyone will be in casual attire.

A: That's good to know. I would have overdressed.

3VI-13

A: Sorry I missed karaoke the other night.

B: It's alright. You can come next time.

A: How long did you guys end up doing it?

3VI-14

A: What did you do over the weekend?

B: I went shopping. I bought a lot of clothes.

A: I spent all weekend writing New Year's cards.

3VI-15

A: Do you have a good relationship with your sister?

B: We get along better as adults than we did as kids.

A: That makes sense. Sibling rivalry can cause friction.

3VI-16

A: Are you ready for the Christmas party?

B: Not quite yet. I need to buy my Secret Santa gift.

A: You better get on that as soon as possible.

3VI-17

A: Remember when MySpace was popular?

B: Geez, that must have been fifteen years ago.

A: That was before it got upstaged by Facebook.

3VI-18

A: Do you have any plans tomorrow for the holiday?

B: No, I'll probably just take it easy at home.

A: I'm planning to check out Shibuya Scramble Square.

3VI-19

A: What should I get my dad for Father's Day?

B: You could get him a nice necktie.

A: That's what I got him last year.

3VI-20

A: Did you play any sports in high school?

B: No, I lost interest in sports after little league.

A: I played basketball but my team wasn't good.

3VI-21

A: This song is driving me crazy.

B: I wouldn't let it get to you.

A: I keep hearing it everywhere!

3VI-22

A: Excuse me, where are your school supplies?

B: School supplies are over on aisle 10.

A: I'll head back that way. Thanks for your help.

3VI-23

A: What do you do for a living?

B: I'm an office worker.

A: What kind of company do you work for?

3VI-24

A: Have you ever flown first class?

B: I wish. No, I'm always stuck in coach.

A: I lucked out and got a free upgrade.

3VI-25

A: Would you rather take the chair lift or cable car?

B: I was thinking we might hike our way up the mountain.

A: Sure, that's another option, but hiking will take longer.

3VI-26

A: It's about time we replaced our futons.

B: Yeah, I guess they're getting old.

A: We can go shopping for new ones this weekend.

3VI-27

A: This coupon is about to expire.

B: We better use it while we still can.

A: Yeah, it would be a shame to let it go to waste.

3VI-28

A: Would you recommend that movie?

B: I'm not sure I would. It was confusing.

A: That's too bad. I was looking forward to it.

3VI-29

A: This place looks familiar. Have we been here before?

B: We came here once a long time ago.

A: I thought so. It's changed, though, hasn't it?

3VI-30

A: Don't be surprised if it rains tomorrow.

B: Oh, no. Is there rain in the forecast?

A: A fifty percent chance. Just be ready, in case.

3VI-31

A: I heard you got engaged.

B: It's true, but we haven't set a wedding date.

A: I'm happy for you, anyway. Congratulations!

3VI-32

A: Are you in the mood for Italian?

B: Sure, I could always go for some pizza and pasta.

A: Why don't I make a reservation for us?
