5G-1

A: Did you ever end up checking out that drama I mentioned?

B: You're talking about "Silent", right?

A: Yup that's the one. How far did you get?

B: I'm all caught up. I can't wait for the next episode.

5G-2

A: What is the point of all this studying?

B: The point is being able to graduate.

A: I can study till I'm blue in the face but I doubt I'm gonna pass.

A: Come on, you're not a lost cause yet. Let me help you!

5G-3

A: Did you get a chance to see the Lunar Eclipse last night?

B: Of course not. I only caught a glimpse. I was working.

A: Workaholic. Would it kill you to stop and sniff the roses?

B: I'm really not that bad. You should meet my coworkers.

5G-4

A: What's his problem? Is he usually this angsty?

B: That's typical for him. He's at that age.

A: What a shame he used to be a cute little ball of sunshine.

A: I know. Hopefully, this is just a phase.

5G-5

A: I thought that you were going paragliding today.

B: It was canceled. I guess it just isn't in the cards for me.

A: Isn't this the third time it's been canceled?

B: Yeah, the universe must be sending me a sign.

5G-6

A: Are you going home for the holidays?

B: Not a chance in hell. The holidays are a nightmare.

A: How come? Don't be a Grinch.

B: I swear I'm not. I love the holidays, just not the pressure.

5G-7

A: I picked up Sign language recently.

B: Really? Could you teach me a gesture or two?

A: I could but I'd have to charge.

B: Aren't we friends? I can't believe you'd do me like that.

5G-8

A: You look over the moon. Did something good happen?

B: I'll let you in on a secret. Can you keep it on the down-low?

A: My lips are sealed! Spit it out.

B: I just started going out with a coworker.

5G-9

A: Did you catch up on the required reading.

B: I've been putting it off in order to deal with family matters.

A: I get it. You should ask the teacher for an extension.

B: Nah, I don't need it. I'll just read the CliffNotes and cross my fingers.

5G-10

A: Why don't you check on your sister? She's not looking good.

B: She straight up won't talk to me.

A: Why don't you try buttering her up? Bring her a snack or something.

B: I doubt that'll work but I'll give it a shot.

5G-11

A: Mike looks pouty. Did something happen?

B: I made plans without him so he's throwing a babyfit.

A: Maybe I should give him a good talking to.

B: Don't bother. Just give him some space to cool down.

5G-12

A: You and your husband seem like a match made in heaven.

B: Not really, we argue just as much as any other couple.

A: But I've never seen you at each other's throats.

B: That's true. We try to talk things out as much as we can.

5G-13

A: You don't talk about yourself much.

B: You can ask me anything. I'm an open book.

A: You say that but sometimes it feels like I'm pulling teeth.

B: That's only because I don't have much going on.

5G-14

A: I'm not bringing you to my house ever again.

B: What's the issue? Aren't we friends?

A: The issue is that you have no filter.

B: Come on! I promise that next time I'll keep my lips sealed.

A: You and I both know you won't be able to keep your word.

5G-15

A: Sorry, if this conversation feels one-sided.

B: No worries, I know that English isn't your first language.

A: Sometimes I get flustered and end up giving one-word responses.

B: I get it. If you need time to think let me know. I don't mind waiting.

5G-16

A: I heard you bawling in the other room. Are you okay?

B: I was just watching a heart-wrenching drama.

A: I figured. Why do you watch stuff like that?

B: A good cry every now and then feels cathartic.

5G-17

A: I can't figure out what I should get my girlfriend for Christmas.

B: Why don't you make it easy and just ask what she wants?

A: I can't do that. It needs to blow her socks off!

B: Suit yourself. I think it's better to play it safe.

5G-18

A: Wipe that grin off your face.

B: What grin? I have no idea what you're talking about.

A: You know exactly what I'm saying. Don't play dumb.

B: Play dumb? Who me? I'd never.

5G-19

A: What motivated you to make a youtube channel?

B: I'm always on youtube anyway so I thought why not try my hand at it.

A: I'm pretty impressed. When did you start blowing up?

B: I posted a video about the Olympics that went viral.

5G-20

A: Could you show me how to use this thingamajigger?

B: You mean the food processor? Sure thing, move over.

A: Roger that. I'll let you work your magic.

A: Now hang on a minute. I'm only showing you how to use it.

5G-21

A: Where were you? We turned the house upside down looking for you!

B: Obviously you didn't look hard enough. I was under the bed.

A: How did you manage to squeeze under there?

B: It wasn't much of a squeeze. You should give it a try.

5G-22

A: Are you getting any lucky bags this year?

B: Nah, everytime I get one it ends up being a dud.

A: I heard the Starbucks one is pretty good.

B: I'm gonna pass. I don't wanna be let down again.

5G-23

A: You seem touchy when it comes to your ex.

B: We haven't been on good terms for years.

A: I can relate. Have you tried talking it out with her?

B: I've tried but she is a lady of few words.

5G-24

A: I heard that you got rid of all your socials.

B: Not quite got rid of per se. I'm just detoxing.

A: How long is that gonna take?

B: I don't have a hard deadline in mind. I just need a little break.

5G-25

A: What have you been up to? Did you finish writing your book?

B: Nothing much. I have writers block and I'm stuck in a rut.

A: What you need it a change of pace. Let's hit the town tonight!

B: Sure, why not? I'm down.

5G-26

A: Hey you need to come in. We need all hands on deck.

B: But my request to be off was approved months ago.

A: I just checked the system and I don't see your request.

B: Should I send you the email confirmation?

5G-27

A: Work is really dragging today even though it's technically a half-day.

B: I get it. I've been searching high and low for something to do.

A: Is your team's project still at a standstill?

B: Yeah we are just waiting for the go ahead from the higher-ups.

5G-28

A: I went to that fancy-schmancy cafe you mentioned the other day.

B: I keep meaning to go there!. What did you think?

A: It was great, the parfait was out of this world!

B: Really? Then I guess I'll have to give it a try when I go!

5G-29

A: I'm here. Don't leave without me!

B: Just in the nick of time! What's your name.

A: Chris. Sorry for cutting it close.

B: No worries, just take your seat quickly. We are about to take off.

5G-30

A: What do you do to make a living?

B: My main gig is painting with the occasional odd job.

A: What kind of odd jobs have you done?

B: I've done everything from landscaping to modeling.

5G-31

A: Did you ever get to writing that book?

B: I've been meaning to.

A: How come you're putting it off?

B: When I sit down to write my mind goes blank.

5G-32

A: Correct me if I'm wrong, but aren't you supposed to be in class?

B: You're not wrong. I'm just playing hooky.

A: Isn't that the class you're failing?

B: Yeah that's why I don't feel like going.
