

5YG-1

A: Do you have any New Year's resolutions?

B: No. I can't stick with them, so why bother?

A: I hear you but I think failing is better than not trying at all.

B: I would like to agree to disagree.

5YG-2

A: I have been really packing on the pounds recently.

B: Me too. That's why I joined Curves.

A: How do they help you lose weight? Cutting calories?

B: They give you a meal plan and fitness consultation.

5YG-3

A: I can't help but notice your shiny new phone.

B: Thanks for noticing. I got it for Christmas.

A: How much was it? It looks pricey.

B: It cost a pretty penny but it's definitely worth it.

5YG-4

A: Did you check instagram today?

B: Only briefly. I saw you posted.

A: Did you read the caption?

B: No. I'll read it now though.

5YG-5

A: Did you watch the meteor shower last night?

B: I only caught a glimpse so I wasn't able to make a wish.

A: What would you have wished for?

B: It's a secret.

5YG-6

A: What is a silver lining to the Pandemic?

B: I'm grateful for the significant increase in lax time.

A: Me too! Also I saved so much money during my staycations.

B: I'm really happy we could spend quality time together.

5YG-7

A: Why did you get rid of your gameboy?

B: I want to be more productive.

A: But did you really need to toss it?

B: Yes, I get easily sucked into games and I have no self control

5YG-8

A: What are you planning for tomorrow?

B: I will take advantage of the fine weather and go hiking.

A: That sounds amazing. Can I tag along?

B: Of course! The more the merrier.

5YG-9

A: What did you think of the journals?

B: The stories were heartwarming.

A: Did any of them stand out?

B: The third one spoke to me on a deeper level.

5YG-10

A: You look drained.

B: I am. What gave it away?

A: You were snoozing in class.

B: I didn't even realize that I dozed off.

5YG-11

A: What do you normally do at the beginning of the year?

B: I crunch the numbers for my tax report.

A: Right back to business. Do you do anything fun?

B: Not really, I just toil away.

5YG-12

A: Can I redeem my voucher here?

B: Let me check it for you. Where did you receive this?

A: I printed it from the company website.

B: Everything checks out. Here's your prize.

5YG-13

A: Christmas came early this year.

B: What happened to you?

A: My stocks are doing exceptionally well. I made some big wins.

B: That's great to hear. Is dinner on you?

5YG-14

A: How much do you study per day?

B: I don't study.

A: What about when it comes to entrance exams?

B: I always wing it

5YG-15

A: I am not really a fan of collaborative cafes.

B: Me neither. Pop-up cafes are overpriced.

A: Have you been to any good ones?

B: I did see one that broke the mold.

5YG-16

A: I'm nervous about getting the COVID-19 test.

B: Don't worry. It was just a prick of the finger and a 15 min wait.

A: Did you experience any side effects?

B: Nope. I'm feeling better than ever.

5YG-17

A: I am getting used to wearing a mask on the train.

B: Do you take the train often?

A: I used to but my company is slowly getting away from it.

B: That's reassuring. Commuting can be brutal.

5YG-18

A: What is the demographic of this game?

B: It appeals to a wide range of kids.

A: Who is the target audience?

B: It was teens but now we are trying to branch out to young adults.

5YG-19

A: Why didn't you take out the trash yet?

B: Don't get bent out of shape. I'll do it later.

A: I recommend you do it now or I'll do it.

B: I'll do it now, or I know there will be hell to pay.

5YG-20

A: I have serious bed head.

B: How do you clean it up?

A: I wet it down, comb through it, and apply pressure.

B: I've tried that, but I have some stubborn cowlicks.

5YG-21

A: I have been having the worst hair day.

B: How so?

B: My hair is staticky no matter what I do it sticks up.

A: Try this hair serum. It works almost too well.

5YG-22

A: Did you see the tweets that were taken down?

B: Of course I did. It was huge news.

A: It seems like taking them down gave them more exposure.

B: I think that suppressing a message will make it come back stronger.

5YG-23

A: I'm on the hook for planning the New Year's Party.

B: That's unfortunate, how'd ya get stuck with that job?

A: I went on vacation so I was out of the loop when it was decided.

B: That's rough buddy.

5YG-24

A: I'll have a hard time paying my rent cause I was sacked this week.

B: Don't worry I can spot you this month.

A: Really? You're a lifesaver.

B: Don't mention it.

5YG-25

A: It's been awhile so my English is getting a bit rusty.

B: How long has it been?

A: Only two weeks, but it feels longer.

B: Really? I can barely tell.

5YG-26

A: So guess who is staying in a hotel room for the next two weeks?

B: I'm guessing you are. What happened?

A: Bingo. Two of my clients are requesting I travel.

B: That's gotta be annoying.

5YG-27

A: My job is hanging by a thread.

B: Why do you say that?

A: I botched a third presentation.

B: Don't worry. Presentations have little weight compared to sales.

5YG-28

A: What kind of fortune did you get this year?

B: My yearly fortune was incredibly lucky.

A: Me too. My friends and I got the same fortune.

B: Oh. Maybe the temple rigged the fortunes to raise our spirits.

5YG-29

A: What is that photo you got there?

B: It's my daughter three days before she gave birth.

A: It looks like her belly might burst.

B: That's exactly what I told her when I took the picture.

5YG-30

A: Did you see? The host received a tennis racket.

B: I didn't. Is there something special about it?

A: Of course, it was signed by an all star.

B: If I was her I'd just use it as a decoration.

5YG-31

A: How was your year?

B: That is a difficult question but, 2020 was a bumpy year.

A: True, hopefully 2021 will go smoother.

B: I'm crossing my fingers.

5YG-32

A: I thought you said you weren't going golfing today?

B: I did but I changed my mind.

A: That's unlike you. How come?

B: I received a phone call from the golf course and I couldn't say no.
